Important Clarification
Recruitment of 111 nos. of Junior Engineers pertaining to PHE Department under 3(f) regulation

1. Candidates whose score is based on CGPA can multiply their respective Grade Point with **9.125** to convert the Grade Point into percentage. (This is as per letter received from the Director of Technical Education vide letter no. SCTE-22/2018/3279, dtd.01/08/2018)

    For eg. – If the CGPA is **9** then after conversion it will become **9 x 9.125 = 82.125%**

    *Note – The application forms already submitted by the candidates using any other conversion formula will also be accepted. However, upon verification of marks their CGPA will be converted using the above mentioned factor irrespective of any other formula adopted or mentioned in the mark sheet.

2. Candidates who have filled the entire information, uploaded Photo-Sign, uploaded documents and "Locked Profile" will only be considered for further process.

3. Candidates who do not "Lock Profile" will be rejected as incomplete form.

4. Duplicate candidate will be checked with following parameter
    a. Name of the candidate
    b. Date of birth
    c. Mother's name
    d. Father's name
    In case such candidates are found, the latest application form will be considered

5. Order of preference in case of Tie-breaker in order to make the inter-se-seniority list –
    a. Marks scored in Diploma
    b. Marks scored in final Semester of Diploma
    c. An older candidate will be preferred over younger candidate

6. 'List of candidates who have locked their profiles' will be displayed so that if some candidates have queries then those queries can be addressed before generating of merit list.
